Rogers Residential Company

11008 Rosser Road

Dallas, TX 75229

(214) 766-0110

This is one of a kind property renovated by Rogers Residential LLC which has renovated other homes in Northaven Park - see www.DallasRemodelers.com. Linda Rogers is the owner of the home and owner of Rogers Residential LLC.

This home was previous on the market but the listing was canceled. It may be put back on the market in the spring of 2016.

The home has site finished wood floors and stone floors. The great room has custom built-in shelves and cabinets, art niches, recessed lighting, three skylights, double sliding doors to the back patio, maple panel floors laid in a bias pattern, a stylish fan, and breakfast from kitchen. The library / study / office has custom built shelves on all sides, indirect lighting above the shelves, a skylight and a fan. The kitchen has stainless steel appliances, including a 48in built-in subzero refrigerator, a cooktop island and lots of storage, with pull outs. The living room, dining room, and den
